

Clean Label Project Program

CERTIFICATE OF COMPLIANCE

Table with 2 columns: Field Name and Value. Fields include Certificate Number, Certified Entity, Type of Certification, Certified Products, Identification Marks, Facility Location(s), Effective Date, and Issue Date.

Clean Label Project Certification (CLPC), upon granting this certification hereby confirms that it has received and reviewed the Operator’s contract, application, documentation and test results and has determined that the products identified comply with the Clean Label Project Code of Practice.

In its acceptance of certification, the Operator hereby warrants that it is in, and will remain in compliance with the Terms and Condition set forth by contractual agreements and the requirements established in the Clean Label Project: Code of Practice. This annual certificate is only valid when accompanied by the Product Listing and shall be renewed on an annual basis to ensure ongoing compliance with the Clean Label Project Code of Practice.
