Ddrops®
BRAND

**“Clean Label Project
First 1,000 days
certification reinforces Ddrops®
commitment to providing babies
and families with the highest-
quality products that meet
rigorous standards for
quality, purity and
independent
testing.”**

THE CHALLENGE

“With so many baby health supplements, often in larger-volume or more complicated formats, parents can have a hard time knowing which products they can trust.”

THE CLP IMPACT

“As the first baby vitamin D supplement to earn Clean Label Project First 1,000 Days certification, Baby Ddrops® stands apart as a Pediatrician-Recommended brand committed to prioritize safety and giving parents greater confidence in every drop.”
