Ellipse Analytics is an ISO/IEC 17025 accredited laboratory, issued by the ANSI-ASQ National Accreditation Board. Refer to certificate and scope of accreditation L2441. All work is performed in accordance with Ellipse Analytics' Standard Terms and Conditions. Samples are analyzed as received unless otherwise noted, and the results relate solely to the item submitted for analysis. Capsule and soft gel samples are tested as contents only, and results reported per serving are calculated using the fill weight. Average fill weights are available upon request.
