**Batch/Lot Number:** BO197333

## PRODUCT SUMMARY

| Analytes             | Compliance |
|----------------------|------------|
| Heavy Metals         | Pass       |
| Bisphenols           | Pass       |
| Glyphosate           | Pass       |
| Label Claim Accuracy | Pass       |
| Pesticides           | Pass       |
| Residual Solvents    | Pass       |
| Antibiotics          | Pass       |

## RESULTS SUMMARY

**Brand:** Puori

**Product Name:** PW1 Whey Protein

**Product Description:** Puori PW1 is a minimally processed, clean whey protein powder with natural Bourbon Vanilla flavor or dark chocolate.

**Batch/Lot Number:** BO197333

Ellipse Analytics is an ISO/IEC 17025 accredited laboratory, issued by the ANSI-ASQ National Accreditation Board. Refer to certificate and scope of accreditation L2441. All work is performed in accordance with Ellipse Analytics' Standard Terms and Conditions. Samples are analyzed as received unless otherwise noted, and the results relate solely to the item submitted for analysis. Capsule and soft gel samples are tested as contents only, and results reported per serving are calculated using the fill weight. Average fill weights are available upon request.

**ANALYTICAL RESULTS**
**Heavy Metals**

| Analyte | Tolerance <sup>1</sup> (ug/serving) | Findings (ug/serving) | Compliance |
|---------|-------------------------------------|-----------------------|------------|
| Arsenic | 10                                  | ND                    | Pass       |
| Cadmium | 4.1                                 | ND                    | Pass       |
| Mercury | 0.3                                 | ND                    | Pass       |
| Lead    | 0.5                                 | ND                    | Pass       |

**Bisphenols**

| Analyte | Tolerance <sup>2</sup> (ug/serving) | Findings (ug/serving) | Compliance |
|---------|-------------------------------------|-----------------------|------------|
| BPA     | 3                                   | ND                    | Pass       |
| BPS     | 0.05                                | ND                    | Pass       |

**Glyphosate**

| Analyte    | Tolerance (ug/serving) | Findings (ug/serving) | Compliance |
|------------|------------------------|-----------------------|------------|
| Glyphosate | 1,100                  | ND                    | Pass       |

**Label Claim Accuracy**

| Analyte | Claim        | Findings         | Compliance |
|---------|--------------|------------------|------------|
| Protein | 21 g/serving | 19.989 g/serving | Pass       |

**Pesticides**

| Analyte                       | Tolerance <sup>4</sup> | Findings (ug/serving) | Compliance |
|-------------------------------|------------------------|-----------------------|------------|
| 3-Hydroxycarbofuran           | Varies                 | ND                    | Pass       |
| Abamectin                     | Varies                 | ND                    | Pass       |
| Acephate                      | Varies                 | ND                    | Pass       |
| Acetamiprid                   | Varies                 | ND                    | Pass       |
| Aldicarb                      | Varies                 | ND                    | Pass       |
| Aldicarb-sulfoxide            | Varies                 | ND                    | Pass       |
| Aldoxycarb (Aldicarb sulfone) | Varies                 | ND                    | Pass       |
| Ametryn                       | Varies                 | ND                    | Pass       |
| Aminocarb                     | Varies                 | ND                    | Pass       |
| Amitraz                       | Varies                 | ND                    | Pass       |
| Azoxystrobin                  | Varies                 | ND                    | Pass       |
| Baycor (Bitertanol)           | Varies                 | ND                    | Pass       |
| Benalaxyl                     | Varies                 | ND                    | Pass       |
| Bendiocarb                    | Varies                 | ND                    | Pass       |

Ellipse Analytics is an ISO/IEC 17025 accredited laboratory, issued by the ANSI-ASQ National Accreditation Board. Refer to certificate and scope of accreditation L2441. All work is performed in accordance with Ellipse Analytics' Standard Terms and Conditions. Samples are analyzed as received unless otherwise noted, and the results relate solely to the item submitted for analysis. Capsule and soft gel samples are tested as contents only, and results reported per serving are calculated using the fill weight. Average fill weights are available upon request.
