Batch/Lot Number: PUR2116

PRODUCT SUMMARY

Analytes	Compliance
Heavy Metals	Pass
Bisphenols	Pass
Glyphosate	Pass
Label Claim Accuracy	Pass
Pesticides	Pass
Residual Solvents	Pass

RESULTS SUMMARY

Brand: Puori

Product Name: V Multi Vitamin & Minerals Complex

Product Description: Puori V is a vegan multi vitamin and mineral complex with specifically selected ingredients and forms of essential vitamins and minerals. The product is developed to supplement to a regular diet as well as a plant-based diet and do not compromise on the quality or forms of various vitamins and minerals.

Batch/Lot Number: PUR2116

Ellipse Analytics is an ISO/IEC 17025 accredited laboratory, issued by the ANSI-ASQ National Accreditation Board. Refer to certificate and scope of accreditation L2441. All work is performed in accordance with Ellipse Analytics' Standard Terms and Conditions. Samples are analyzed as received unless otherwise noted, and the results relate solely to the item submitted for analysis. Capsule and soft gel samples are tested as contents only, and results reported per serving are calculated using the fill weight. Average fill weights are available upon request.
